

## **MEP Coordinator**

The Hagerman Group is looking for an experienced Mechanical, Electrical, and/or Plumbing coordinator to work out of the Fort Wayne, IN, office.

### **Responsibilities:**

The MEP Coordinator will be required to:

1. Coordinate shop drawings and review submittals.
2. Oversee, coordinate, and ensure all MEP installations in the field.
3. Resolve any conflicts in the field and communicate with the trades.

### **Requirements:**

The ideal MEP Coordinator candidate would have field and office experience working for a mechanical contractor. Electrical experience is secondary to mechanical experience. This person must absolutely be an excellent communicator and team player.
